

CSCI 2170 – A1 (F2024) – Homepage Layout

Expectations:

- Create the homepage and an information page with layout shown in this document.
- Use Bootstrap to implement responsive behaviour on these pages.
- **The layout on this page represents the homepage layout.**
- Follow all other instructions posted on Brightspace.
- Any questions? Please email **csci2170@dal.ca**

This must be a mailto link to your email address

LOGO		NAV 1	NAV 2	Email Me
------	--	-------	-------	----------

This area of the homepage is to be used for a homepage image or some text, with text (if any) aligned to text in the section below.

Main Section of the homepage.
Some intro text, can be Lorem Ipsum.
All text needs to be aligned.

Include a [link here to the info page](#).

Make proper use of white space to space content on the homepage. Content must not look cluttered.
Notice that the background for this section is white, but the background for the page itself is a type of grey.
